

Appendix 2

BH Sustainable Transport Network - Burgess Hill Town Council Wish List

PROJECT	LOCATION	PROPOSED COST
Surface improvements to Footpath 33BH & possible lighting (part of the Green Circle)	F/P 33BH - Royal George Road to Poveys Close	£30,000
Cycle path including some groundworks, new gates, signage and possible lighting	West Park Reserve (from Gatehouse Lane to Poveys Close/Southway School)	£5,000 - £7,000
Surface and possible drainage improvements to footpath (part of the Green Circle)	Batchelors Farm – upgrade footpath from entrance off Keymer Road on to Batchelors Farm	£30,000
Surface and drainage improvements on Footpath 17BH (part of the Green Circle)	F/P 17BH between 16BH and pond (rear of Pinehurst)	Unknown but suggest £30,000
Surface improvements to Footpath 2C (part of the Green Circle)	F/P 2C between Albert Drive to Hammonds Ridge	Unknown but suggest £30,000
<p>Create a new ramp to replace existing steps (part of the Green Circle spokes)</p> <p>(Highways Manager - In 2014 the scheme cost, before considering the effects of utilities diversions and contaminated ground was approx. £100k. This was a Part A assessment and I would suggest an Optimism Bias of 25% and an allowance for risk ought to be considered over and above that estimate (plus stats and contaminated ground). I cannot say how much the Stats diversions or the contaminated ground would cost but a Medium Pressure Gas main is not going to be cheap.)</p>	Burnside steps – Victoria Avenue/Consort Way	£150,000 - £200,000
Create dual cycle/footpath on south side of carriageway (part of the Green Circle spokes)	Folders Lane – whole length	£120,000 - £140,000
