

PRESS RELEASE

9 July 2020

TOWN COUNCIL'S NEW YOUTH WEBSITE LAUNCH

Burgess Hill Town Council is excited to launch its redesigned Youth Zone website.

The Youth Zone website is an important resource for teenagers and young people in Burgess Hill, as well as their parents and carers, and has now been fully refreshed and updated.

The site acts as a hub for all of the Youth Clubs, Youth Groups and Sports Clubs in Burgess Hill, directing visitors to these local groups. Visitors to the site can also find information on local support services for issues affecting young people, such as mental health, sex and relationships, drugs and alcohol and more, and all events in the town for young people will be added to the site's events page.

If you are involved in any groups, projects or events for young people in Burgess Hill and would like to be added to this website, please contact youbh@burgesshill.gov.uk. You can visit Youth Zone Burgess Hill at: <http://www.you-bh.com/>.
