A23 Bolney Flyover – Deck Refurbishment

What's happening?

I am writing to advise that A-one+, on behalf of Highways England will be carrying out a full refurbishment to the A23 Flyover deck. The works will include full resurfacing of the deck and approaches, re-waterproofing of the deck, reinstatement of concrete defects to the flyover footways and central reservation.

Traffic Management

In order to carry out these works as efficiently and safely as possible, the works will be carried out utilising overnight lane and full weekend carriageway closures between 8pm and 6am from **Thursday 17 September 2020 and Tuesday 29 September 2020** and are weather dependent.

The weekends of Friday 2 October to Monday 5 October and Friday 9 October to Monday 2 October may be used as contingencies due to any unforeseen circumstances.

Series of full closures/lane closures on main carriageway	Dates and timings
Lane 1 closure on the A23 southbound approach to Bolney Flyover	Thursday 17 September 2020 8pm to 6am
Full closure of the A23 southbound Bolney Flyover carriageway and lane 2 & 3 closure on the northbound Bolney Flyover carriageway	Weekend closure from 8pm Friday 18 September 2020 to 6am Monday 21 September 2020

Full closure of the A23 southbound Bolney Flyover carriageway and lane 2 & 3 closure on the A23 northbound Bolney Flyover carriageway	Monday 21 September 2020 to Wednesday 23 September 2020 Overnight 8pm to 6am
Lane 1 closure of the A23 northbound approach to Bolney Flyover	Thursday 24 September 2020 Overnight 8pm to 6am
Full closure of A23 northbound closure of the Bolney Flyover carriageway and lanes 2 & 3 on the A23 southbound Bolney flyover carriageway	Weekend closure from 8pm Friday 25 September 2020 to 6am Monday 28 September 2020
Full closure of A23 northbound closure of the Bolney Flyover carriageway and lanes 2 & 3 on the A23 southbound Bolney flyover carriageway	Monday 28 September and Tuesday 29 September 2020 Overnight 8pm to 6am

There will be no access to the A23 northbound from the A2300 roundabout with Hickstead Lane. Residents and businesses will be able to access their properties during the overnight northbound closures to and from the manned closure point on the A2300 roundabout with Hickstead Lane.

Diversions: Clearly signed diversions symbolised by a black circle will be in place throughout the works suitable for all types of vehicles.

Southbound Bolney Flyover Diversion: Vehicles traveling south will be diverted off onto the A23 exit slip on the flyover approach. At the roundabout take the 3rd exit to re-join the A23 to continue their journey southbound.

Northbound Bolney Flyover Diversion: Vehicles travelling north will be diverted onto the A2300 at Hickstead. At the roundabout take the 3rd exit (A2300) over the A23. At the next roundabout continue on the A2300 westbound. At the 2nd roundabout take the 2nd exit onto the A273 (Jane Murray Way) eastbound. At the 2nd roundabout take the 1st exit continuing on the A273 to the next roundabout continuing on the A273, Isaac's Lane (northbound). At Tylers Green Roundabout take the 1st exit onto the A272. Follow the A272 westbound to return to Bolney Flyover where they can re-join the A23 to continue journeys northbound on the A23.
