

Burgess Hill Town Council

PRESS RELEASE

18 October 2021

Place a Poppy on the People's Wreath

The People's Wreath will be available at Burgess Hill Town Council Help Point for people to fill with Remembrance Day poppies in memory of all those who have lost their lives in conflicts around the world.

The wreath will be laid by the Town Mayor at the base of the town's War Memorial on 11 November as part of the Armistice Day Commemoration Parade and Service.

The People's Wreath will be available from Thursday 28 October at the Town Council's Help Point, 96 Church Walk. Customers and visitors to the Help Point will be able to contribute their poppies in the two weeks leading up to the 11 November commemorative service.

Town Mayor, Anne Eves, said: "The Help Point is delighted to provide this service in hosting the People's Wreath. By supporting the Poppy Appeal the residents and visitors to Burgess Hill can make a personal contribution to the wreath we lay at the commemoration service."
