My daughter loved the painting
The children really enjoyed it
Lovely staff, friendly atmosphere and super crafty fun!

was a lovely event. The staff were all really welcoming and friendly. Really lovely activity for a range of ages.

My daughter had an amazing time at the SEN session for tile painting, thank you. The lovely lady from the Burgess Hill Town Council was particularly lovely, friendly and supportive.
We were welcomed by your lovely staff and the activity was explained well and my son really enjoyed it.

It was a well organised great craft for the kids. A quality item for them to take home.
Well organised
Very well organised, not over crowded, everything you needed was layer out, clear instructions!
Just a very lovely opportunity and even better with the added advantage of having the SEN session. Thank you so much!

My son loved this session. His favorite was the plant pot decorating and bulb planting. It was very well thought out and catered very well for children with additional needs
Variety of things on offer and not too busy
Venue, organisation and activities were good

The kids loved the art
The train set

Was very well set out with lovely activities that were achievable for most participants it was spacious with lots of friendly people. A great variety of activities calming and active activities.
It was great the kids had a lovely time and great to go somewhere where there was no judgement from other parents and my child could be himself and have fun. He especially loved the trains and the ball pit and bubbles.
I got to plant bulbs. I liked the circus skills and liked building Lego stuff.
Great atmosphere, very family focussed and lots of energy
Good range of activities. Lovely staff

Jousting team were excellent. Mini golf was really good fun. It's always good to see the town centre full of people and activities. Thank you for organising so many events.

I loved that the children got a book as well as a treat. I liked that the trail included characters.

She loved the trail. I didn't attend with her but when I'm in town she enjoyed showing me all the shops that participated. The gifts including a book were lovely too. Thank you

It would be even better if... (Please answer for all events you attended)

There were more sessions! Thank you very much!
Na
The event was a little longer!!
Nothing it was great!

Nothing was great

It was totally brilliant, can't think of any way it could have been better

If I was being picky then maybe more items to paint...
My daughter would have liked to paint more than one tile. I would have been happy to pay for her to do some extras if the option was available

Nothing!!!

There were more sessions :-)
There was a bouncy castle
More frequent activities
I think it was great and can't think of any changes
More time

Sensory stall wasn't there .

Maybe next time you could give a full list of what will be there ? What will it look like ? Maybe a story board ?
As my daughter is autistic. She was expecting it to be exactly the same as last year and she was upset by change .
But if I could have prepared her in advance it would have been good.

Perhaps you could even add a day photo of it to facebook or something once it's been set up ?

I appreciate the younger session was first but the table and chairs were very low for the older group and a few people found that a struggle. Though larger ones were available. Overall a great experience.

You had more
There was trapeze! Joking. More craft stuff like painting
Something to engage older children and teenagers
Longer!

Boys had not been doing wheelies on their bikes through the busy pedestrian area. Perhaps have a PCSO or two around for the next event?

I didn't realise how spread out the hunt would be and this was a bit difficult as my daughter is only two and it was a lot of walking for her but I think it would have been great for older kids.

Easter Trail - 3-14 April	Easy to participate, clear guidance, lovely prizes for all that participated. some shops offered additional chocolates	For the easter trail - shop keepers were told how long to keep the posters in their windows! Too busy so took forever to have a go on something so only went on the bouncy castle (impatient toddler!). Was confusing what queue was for where. Less queues
Burgess Hill Big Coronation Lunch -8 May Burgess Hill Big Coronation Lunch -8 May	Good atmosphere, lots of things to do that were free with a donation which is amazing Entertainment My 6 year old son enjoyed the inflatables, just a shame there was not as many last time and we queued an hour for the bouncy castle, 30 minutes for the lazer tag.	
Wowzer Wednesday -31 May Wowzer Wednesday -31 May Wowzer Wednesday -31 May	Needed more for the under 5s Friendly staff from the triangle and good music	Having more inflatables for the children. More for under 5s and a queue for each inflatable rather than one queue for all. Not enough for smaller kids!! An inflatable or 2 for older kids (+10) as seemed geared towards the younger end and the older ones rarely get much to do. Also maybe sets and crafts for older ones?
Wowzer Wednesday -31 May Romeo and Juliet by The Lord Chamberlain's Men - 4 June Romeo and Juliet by The Lord Chamberlain's Men - 4 June	Free activities really lovely for all Romeo and Juliet brilliant, and well organised with the minimum of fuss. We'll be there next year. Excellent organisation and marshaling on the day. Great advertising and a fab event! Thanks!	It was near perfect NA
Summer Fayre - 25 June Teddy Bears Picnic - 10 July	Seemed well organised and very family friendly. The free obstacle inflatable was a hit with my 3 year old. Great pizza and ice cream too. The fire engine was a bonus! Good range of free activities Engaging activities for the age group and a big variety. We spent the whole time there and both my children age 4 & 2 loved it. Much better than last year.	There was one or two more food options. The pizza was our preferred choice over BBQ as we have a young family and that was the healthier child friendly option. Soft play (I think provided by the triangle) was under a gazebo as it gets so hot in the sun
Teddy Bears Picnic - 10 July Wowzer Wednesdays - August 2023	These events are a lifesaver for parents in the summer holidays! We loved it the disco dome was amazing so much fun and great for a bit of calmer space. We also loved lego. So Much to do and so engaging for all all ages have been thought of I have children aged 6 and 10 and both loved it	It was great so can't think of anything We had more of them! :) A slightly longer session or maybe drop in throughout the holidays

More frequent events Nothing, it's the best event we have attended It is organized frequently
Family Fun Sessions -8 August Wowzer Wednesdays - August 2023 Wowzer Wednesdays - August 2023	My children loved the magic shows Tom Foolery engaged the audience (old and young) really well! Organisation was incredible. Such a range of different activities that suited my 3 children that all enjoy different things.	Jugs of squash were available for hot sweaty bouncers. Nothing I can't think of anything that could've been better. He did a great job
Family Fun Sessions -8 August Wowzer Wednesdays - August 2023	Activity with the things all are good	These were available more often. Honestly we had the best morning. Members of the team maybe do some more activities for watching We missed the actual opening of the orchard as we were eating our picnic and didn't hear any announcements!
Batchelors Farm Community Picnic - 19 August	Was a good opportunity to visit our sponsored tree. My 7 year old loved making the bug hotel	
Tennis Sessions;Tennis Sessions -July and August Tennis Sessions Tennis Sessions Tennis Sessions Basketball Sessions	Fantastic Yes, my children had fun Tennis sessions were fantastic Tennis tuition was great. Coaches were encouraging. It was friendly and welcoming. Great coaching and just right duration	It would be conducted regularly here in Burgess Hill If they did more practice Nothing The sun had been shining! Maybe if had been better advertised, may have had more uptake
Family Fun Sessions - 8 August;Wowzer Wednesdays - August 2023;Tennis Sessions -July and August;Summer Fayre - 25 June;Wowzer Wednesday - 31 May;Family Fun Sessions - 4 April	We loved the free events for children over the summer holidays	There could be more of them!!
