## Message from the Mayor

This year, it has been encouraging to see that many residents are attending Council meetings – asking questions and participating. We are all aware of the struggles faced by businesses in our town, and deeply regret this. One thing that can be celebrated, however, is the community spirit shown by so many groups and individuals.

My chosen charity this year is **Burgess Hill Creative Community**, based in the Kiln; a wonderful group of volunteers who are hosting Christmas Crafts at this year's Christmas Lights Switch On, as well as their own crafters markets in the near future. There are so many brilliant events for the residents of Burgess Hill to enjoy, from **It's Christmas!** to the final **Wowzer Wednesday** of the year, which will see an ice rink brought into the town centre for a day, in the lead up to Christmas. There is even more to look forward to in 2024!

Also encouraging is the increasing support offered by the Pantry, in reaching out to more of our residents in need. You can also help those in need this year, by donating to the Christmas Hamper Project.

Confucius: 'There are four words of which the Master barred the use; he would have no 'shall's, no 'must's, no 'certainly's and no 'I's'.

Burgess Hill Town Mayor, **Janice Henwood**

## Season's Greetings to all of our Burgess Hill residents!

There's plenty of joy to look forward to, with the team at the Town Council organising a wealth of festive events and projects. The ever-popular '**It's Christmas in Burgess Hill!**' returns on 25 November, with fun for all the family. There will also be a special **festive market** on Saturday 2 December. If that isn't enough festive spirit for you, the Help Point also has plenty of local goodies for your present shopping – see page 12 for details.

Thank you to everyone who submitted a photo this issue. It's always wonderful to see Burgess Hill through the eyes of our residents, and with a special wintery twist this issue. Our cover image from Terina Bryant depicts the historic St John's Church, with an illuminated covering of snow. Check out page 16 for the full selection.

**Read on and enjoy!**

## Holocaust Memorial Day Service

On Monday 29 January, Burgess Hill Town Council will be holding a remembrance service for Holocaust Memorial Day.

The theme of the day for 2024 is 'Fragility of Freedom', which reflects the restrictions and removals of freedom ahead of historical genocides. With 2024 marking the 30th anniversary of the Rwandan genocide, the theme reflects the slow erosion of people's liberties, before the horrors of genocide take place; as well as the bravery of those who risk their own freedom to help others.

To mark the occasion, a memorial service will be held with a range of readings, reflecting the theme of the day – including Lesley Urbach.

2024 is the 85th anniversary of the arrival of the Kindertransport in Burgess Hill, on which Lesley's mother was taken to safety during the Holocaust.

Orders of Service and full information on the event location and timings will be available in the lead up to the day.

## Brightening up the boxes

Holly Sellors a member of the Burgess Hill Artists painted her design on a Virgin Media box on the corner of St John's Road and Church Close. Holly's design illustrates St John's Church with three Martlet birds.

A Martlet is a mythical heraldic bird which is thought to represent the Swift or House Martin.

Martlets have been traditionally associated with Sussex for centuries and appear on the Sussex County crest.

The Town Council entered an agreement with Virgin Media for local artists to paint some of the media cabinets around the town. Any local artists wishing to get involved with this initiative please contact Liz at the Town Council, [liz@burgesshill.gov.uk](mailto:liz@burgesshill.gov.uk).

Other Virgin Media boxes around the town have had a makeover, details can be found on the Town Council's website [www.burgesshill.gov.uk/virgin-media-boxes](http://www.burgesshill.gov.uk/virgin-media-boxes).

# Supporting Young Carers

Burgess Hill Town Council are committed to supporting young carers in the local community, and assist Burgess Hill Youth (BHY) in their work to support carers aged 6-11.

In 2023, the young carers enjoyed a trip to the Panto at Burgess Hill Academy thanks to Burgess Hill District Lions and Burgess Hill Rotary. We assisted with BHY's 4 fun days at Fairfield Community Centre, including a lantern making session, which the young carers carried in the Summer Fayre Parade and The Mustard Seed Café provided the children with lunch. During the summer we visited Westall House for a science themed afternoon, with a minibus provided by Burgess Hill Girls. Currently, we are offering young

carers and their families free visits to see Father Christmas, thanks to The Budding Foundation.

If you would like further information or to register a young carer visit [www.burgesshill.gov.uk/town-community/young-carers/](http://www.burgesshill.gov.uk/town-community/young-carers/) or contact [Kayleigh@burgesshill.gov.uk](mailto:Kayleigh@burgesshill.gov.uk)

## What is a Young Carer?

A young carer is someone who cares for another member of their household, who needs help because of their illness, frailty, disability (including SEND), a mental health problem or addiction. This includes traditional care activities, or there just being a significant impact on the children within the home.

# Burgess Hill & District Rotary – Celebrating 75 Years

Burgess Hill & District Rotary is a club open to all genders and ages, which provides support through service projects or fundraising to both the local community and overseas.

Our members also enjoy meeting together socially and are involved with many local activities, including the Santa collections around the residential streets of Burgess Hill. Please look out for us and track our dates and progress on Facebook.

This November, we celebrate 75 years of Rotary in Burgess Hill. Our existing club, which has run continuously since 1948, continues to support many projects.

We have recently sponsored 15 fruit trees in the new community orchard. You may also have visited one of our car boot sales at the Burgess Hill Academy. We hold three per year and our next one is planned for Easter Monday 1 April.

Since 2022, we have been running a platinum jubilee project to purchase and supply 70 Water Survival Boxes to mark Queen Elizabeth's 70 years on the throne. The water survival boxes can supply a family with 100 litres of safe drinking water a day for 5 years. We have made a significant headway through fundraising efforts including individual donations, quizzes and a charity golf day. If you would like to contribute, please contact us as detailed below.

On 23 September we held an emergency collection to support the recent disasters in

Morocco and Libya. Thank you to everybody who donated towards that project.

Throughout the year, our members are involved in supporting our varied programme of events, including running Rotary Youth Debate, Rotary Young Musician and Rotary Young Technology competitions, for our local schools to celebrate the successes of our local youth.

As we move forward into the next 25 years of Rotary, and towards celebrating 100 years of Rotary in Burgess Hill in 2048, we need your help to ensure that we can continue to provide these opportunities. If you are interested in getting involved by volunteering some time or by joining us please contact us at

## Dementia Day Care Enterprise Exceeds Expectations

**Tapestry Day Club provides stimulating, high-quality day care in private family homes gives carers well-deserved time out**

Tapestry Day Club is celebrating smashing its target of providing 10,000 hours of respite care over the past two years – by more than 3,000 hours. It has now supported more than 100 families since launching in 2019.

This not-for-profit enterprise offers innovative day care for older people living with early-stage dementia and in social isolation across Surrey and West Sussex. Hosts welcome guests into their family home, offering transport, refreshments, a two-course, home-cooked lunch and optional activities within small groups of up to six guests.

Equally and possibly more important is the hours of "me time" the club provides to the carers of guests. Each time a guest attends a Tapestry Day Club, a carer will have a break of up to six hours.

Co-founder Clare Jones said: *"That's why we started tracking just how many hours of respite care our amazing hosts facilitate. When Tapestry Day Club relaunched after the Covid lockdowns, we provided 558 hours of respite care in the three-month period from July to September 2021. The data shows a steady, positive trajectory every quarter since then. However, in our most recent quarter, we surpassed ourselves – providing a staggering 2,730 hours of respite care."*

This measure of success has been initiated by the many messages the club regularly receives.

Louise, daughter of a guest, said: *"Tapestry has been a godsend for us. Mum loves it and can't wait to go off with her host. She comes home so happy, and anything that has been bothering her seems to disappear."*

Brenda, daughter of a guest, said: *"Thank you for being the most wonderful lifeline for us."*

Wife of guest John said: *"It means I have a few hours to myself. Not involving John all the time is relaxing. I use the time to go to an exercise class at the moment, without worrying about returning home or being contacted."*

Husband of Anne said: *"I like to go out for lunch with friends, but actually it is nice to have a rest at home and do very little, too. I enjoy being at home alone. Having these few hours gives me time to do just that, so thank you."*

## St John's Church Organ Appeal

St John's Church has been at the heart of Burgess Hill for 160 years – it was dedicated in 1863. At its heart is its pipe organ, one of increasingly few left in this country, first played as far back as 1889!

Its music has accompanied weddings, christenings and funerals for the community, as well as regular Sunday services. Unlike many churches, where the organ has been replaced or disposed of, the people of St John's have kept the organ in use.

But with all machinery, there comes a time when

you need to do a complete overhaul – and that time is now.

Since June, the organ has been taken apart, and is in the process of being repaired, cleaned, adjusted and made fit so that the organ will be there for the generations to come.

We've already raised over £50,000 of the target £80,000. We are asking for the Burgess Hill community for help – any donation (which can be gift-aided) will be very gratefully received.

# Burgess Hill Choral Society Christmas Concert

At our Christmas concert, Burgess Hill Choral Society will perform Vaughan Williams' moving Fantasia on Christmas Carols and Rutter's beautiful Magnificat. We shall be accompanied by South Downs Sinfonia who will also perform Hely-Hutchinson's popular Carol Symphony. In addition, there will be carols for choir and audience. What better way to usher in the spirit of Christmas?

Vaughan Williams' love of Christmas is reflected in his wonderful Fantasia on Christmas Carols which consists of arrangements of four traditional carols.

Rutter's Magnificat is composed of seven movements each of which has its own mood, from great joy to quiet reflection and the work

contains what many have described as Rutter's best melodic writing.

Hely-Hutchinson's Carol Symphony is composed of six well-known carols set to rich orchestration.

The concert takes place on Saturday 2nd December at 7.30pm at St Andrew's Church, Burgess Hill, RH15 0LG. Tickets (£15 in advance, £16 on the door, £5 students and under-18s) are available at: [www.ticketsource.co.uk/burgesshillchoral](http://www.ticketsource.co.uk/burgesshillchoral), from Burgess Hill Help Point, on the door, by phone **07522 493966**, or visit our website at [www.burgesshillchoral.org](http://www.burgesshillchoral.org).

## Thirty 30 – A Good Read

Thirty 30 is a collection of writings and photographs by Burgess Hill u3a's Creative Writing and Photography groups. The book is a celebration of the groups' work and is published as part of BH u3a's 30th anniversary celebrations.

The stories and poems vary extensively, some funny; some serious; a scary ghost story; a murder; intrigue; romance and naturism.

They are all in these stories but in the best possible taste! It's a book that can be read from cover to cover or dipped into at will. That makes it perfect for airport lounges, train journeys, beaches, gardens, flights or just as a delightfully good read.

The original intention was to have thirty writings and thirty photos. However the range of talent within the two groups meant that thirty was not enough. Consequently there are more of each – an added bonus.

The book is available from Amazon at £5.99 (+p&p), search 'Thirty 30 u3a'. Alternatively, you can purchase the book at any of the u3a's meetings. The next dates will be 18 January (Information and Renewals), and 5 February (Grace Darling), at Cyprus Hall – doors opening at 9.45am for 10.30am start.

**All profits from the book will go to BH u3a.**
